OFFER & SERVICES

Aperitiv is a gourmet food and wine company located in Nice and Cannes at the heart of the Côte d'Azur. We commercialize a very large range of more than 2 000 quality products divided in three main categories :

FOOD DRINKS ACCESORIES

Our whole offer is available in our 4 shops in Nice and Cannes :

- *Nice, Cassini Street n°4
(just near the Garibaldi square and at less than 300m from the port)*
- *Nice, Malaussena Avenue n°11
(Libération district - main food market of the town)*
- *Cannes, Teisseire Street n°12
(On the Gambetta market square)*
- *L'Arrière-boutique - Nice, Canta Galet street n°65*

Our added value lies in two main points :

QUALITY AND SERVICES

This catalog is a selection of 500 wines, champagnes and spirits specially made for yachts and villas. It is the results of a long process of searches and tastings based on one main criteria : quality !

In addition, we offer personalized services in order to respond perfectly well to the demands of our clients :

- *we deliver every day of the year for free from 100€VAT excluded in Cannes and Nice (700€VAT excluded for other ports from Monaco to Golf-Juan)*
- *Many other products, that are not in the catalog (special «cuvée» or millesim for example) are available to order*

CHAMPAGNES

A long, arched tunnel made of stone, illuminated by warm lights, with rows of champagne bottles on racks on either side. The tunnel is constructed from rough-hewn stone blocks, and the arches create a rhythmic pattern of light and shadow. The bottles are arranged in neat rows, extending into the distance, creating a sense of depth and perspective. The overall atmosphere is one of tradition and elegance.
